STAUB ELECTRONICS
a snap one Company

According to the extended forecasts of the Farmers Almanac, “2022-2023 will be remembered as a time to **shake, shiver, and shovel**—a winter season filled with plenty of snow, rain, and slush as well as some record-breaking cold temperatures!”

Over the past 3 years our team has been focused on implementing strategies to support your business by:

- Maximizing your margin through the implementation of a Minimum Advertised Price
- Offering you an industry leading assortment of products
- Maintaining a strong stock position despite the recent logistical challenges
- Minimizing price increases during volatile times

For the 2022/2023 season, we will continue to prioritize these areas:

- **WWW.COMPUSTARPRO.CA:** This New Canadian website will show you the Minimum Advertised Price of Compustar products, and will also give you access to product images, display tags or other assets that you can leverage.
- **On the product side,** we will be introducing the Q9 which will provide you a 2-way remote with a vibrant LCD color display at an amazing value. The Q9 will come in two different spectrums allowing you to present it to more customers.
- **From a logistics standpoint,** we have continued working with our suppliers to keep a constant flow of goods to our Richmond and Mississauga warehouses to ensure that you are ready to respond to the demand of your customers despite the supply chain challenges encountered in the recent years.
- **Maximizing your profits:** The effects of component shortages, upward pressure on transportation costs, and supply chain delays are driving inflationary increases in all areas of life. Considering this, and through strong partnerships with our suppliers, we have been able to minimize the impact of these increases to only a few since late 2021.

Thank you for your continued support and I wish you all a safe and successful season.

COMPUSTAR PROSELECT

# PRO Select Series RF Remote Kits

*Compustar PRO Select Dealers have access to exclusive, industry-leading products and advanced technical support, providing PRO quality comfort and convenience for years to come.*

## PRO RF T13

RF-P2WT13-SF

⚠ No on-line advertising of price

**2-WAY** **3-MILE RANGE**

The all new PRO T13 is the industry's most advanced remote start and security system! This remote is the first to include our brand new Proximity Unlock feature and a Full-Color LCD Screen. The sleek design packs in several powerful features including: a USB recharge-able battery, 2-way control, and 3-miles of range.

- 2-way LCD command confirmation
- Up to 3-Miles of Range
- Two remotes included
- SF Antenna
- 3-year PRO remote warranty
- Security alarm alerts
- Water resistant/durable remote casing
- USB rechargeable battery

### New Full Color Display!

The Pro T13's Full-Color LCD is the first of its kind! This vibrant, skillfully designed interface makes it Compustar's most user-friendly remote to date.

## PRO RF R5

RF-P2WR5-SF

⚠ No on-line advertising of price

**2-WAY** **2-MILE RANGE**

The PRO R5 features our new water-resistant case design that is compact and easy to carry. But don't let its size fool you! In addition to 2-miles of range, the PRO R5 offers Proximity Unlock and USB recharging with up to 45 days battery life.

- 2-way LED command confirmation
- Up to 2-Miles of Range
- Two remotes included
- SF Antenna
- 3-year PRO remote warranty
- Security alarm alerts
- Water resistant/durable remote casing
- USB rechargeable battery

### Proximity Unlocking

Compustar's next generation of PRO 2-way remotes feature built-in proximity sensors that automatically unlock and disarm your doors when you approach your vehicle.

### Water-Resistant Remotes

The Compustar PRO T13 and R5 remotes are water-resistant and durably built to withstand everyday impact and weather conditions.

### USB-Rechargeable

No batteries? No problem! The Compustar PRO T13 and R5 have water-resistant micro-USB charging ports that can keep your remote running on a single charge for up to 6 weeks.

MSRP is Suggested Retail Price not including parts and labor for installation. Prices and part numbers are subject to change.

FIRSTECH

## Featured Accessories

### Keyless Touch Entry
FT-KP2

KP2 is a windshield-mounted touchpad that gives drivers the ability to lock, unlock, and share their vehicles without the use of a key, remote, or smartphone. In daily use, the KP2 Touchpad functions as a convenient replacement for car keys for unlocking and locking the doors.

### FT-ALARM-KIT
FT-ALARM-KIT

The FT-ALARMIT-KIT makes it easier than ever to add an advanced security and alarm system to your existing Compustar remote starter. Includes an FT-DAS Shock Sensor, an FT-SIREN Alarm Siren and an FT-LED BLUE Theft Deterrent LED.

### FT-DAS-II
FT-DAS-II

A 4-in-1 security sensor that detects two stages of impact/intrusion, tilt, forward motion, and now: glass-breakage. Required for installation of remote starters for manual-transmission vehicles. Compatible with CM7 and CM-DC3 remote start and security systems.

# Bypass & Integration Modules

iDatalink systems facilitate the installation of aftermarket remote start, car alarm, and keyless entry systems by interfacing with vehicle immobilizer and data bus systems.

## BLADE AL

Universal 'all-in-one' integration cartridge. Web-programmable data immobilizer bypass and doorlock integration for over 4000 vehicle models from 1997 to date including exclusive KLON firmware applications.

**Compatible with CM7/CM9/CMX controllers**

- Data Immobilizer Bypass
- Bypass Module for Remote Start
- Keyless Entry
- OEM + Aftermarket Alarm integration
- Compatible with FTI T-Harness
- Weblink Compatible

## BLADE TB

Universal data immobilizer bypass integration cartridge. Web-programmable for over 1800 vehicle models from 1997 to date including exclusive KLON firmware applications.

**Compatible with CM7/CM9/CMX controllers**

- Data Immobilizer Bypass
- Bypass Module for Remote Start
- Compatible with FTI T-Harness
- Weblink Compatible

## ADS-USB-HUB

Weblink Programming Station w/key reader.

» New Weblink Programmer
» New Vehicle KLON Applications w/Built-in Key Reader
» Future Coverage Enabled

Pair any BLADE-ready remote start controller with an FTI T-Harness for plug-and-play installation!

## ADS-AL-CA

The industry standard 'all-in-one' CAN interface module. Web-programmable for over 4000 vehicles 1997 to date including exclusive KLON firmware applications. Features single-wire connection to all Firstech controllers.

- Data Immobilizer Bypass
- Bypass Module for Remote Start
- Keyless Entry
- OEM + Aftermarket Alarm integration
- Weblink Compatible

## ADS TB

Universal data immobilizer bypass module. Web-programmable for over 1800 vehicle models from 1997 to date including exclusive KLON firmware applications. Features single-wire connection to all Firstech controllers.

- Data Immobilizer Bypass
- Bypass Module for Remote Start
- Weblink Compatible

## TBSL-VW1

VW/Audi Immobilizer Bypass Interface. Web-programmable for multiple vehicle makes and models from 2006 to present. Features simple installation for most aftermarket remote car starter systems.

- Data Immobilizer Bypass
- Bypass Module for Remote Start
- Weblink Compatible

## ACC-RFID1

Programmable interface from digital signal to RF immobilizer.

» Designed for use with Hub-Enabled T-Harnesses
» Optional as Accessory to FT-CMX-HC for Hardwire Installations
» BLADE-AL Compatible

Flash and update any iDatalink and Firstech module with the Weblink Mobile App!

Weblink Mobile Updater for Apple | ADS-WLM-AP1 |
Weblink Mobile Updater for Android | ADS-WLM-AN1 |

## CMHCXA0

iDatastart CHX remote start control module for select Chrysler models 2005 and up. No key required for immobilizer bypass on most models. Compatible with iDatastart long range RF kits, select T-harnesses and smartphone control systems sold separately.

## HCX Series

Universal, factory key remote start system for vehicles 1988 and up. No key required for immobilizer bypass on most models. Includes CMHCXA0 control module and ADS-AHR-HCX analog harness kit. Compatible with iDatastart long range RF kits and most T-harnesses and smartphone control systems sold separately.

## HC1 Series

Universal, 1-Way remote start system for vehicles 1988 and up. No key required for immobilizer bypass on most models. Includes CMHCXA0 control module, RF1151A long-range RF kit and ADS-AHR-HCX analog harness kit. Compatible with most T-harnesses and smartphone control systems sold separately.

## HC2 Series

Universal, 2-Way remote start system for vehicles 1988 and up. No key required for immobilizer bypass on most models. Includes CMHCXA0 control module, RF2352AC long-range RF kit and ADS-AHR-HCX analog harness kit. Compatible with most T-harnesses and smartphone control systems sold separately.

# Vehicle-Specific Remote Starters

*iDatastart systems feature built-in proprietary vehicle-specific data bus and immobilizer interface technology to ensure that no additional accessories or costly keys are required for remote start installation.*

## VWX Remote Starter

CMVWXA0

**REMOTE START**

iDatastart VWX remote start control module for select Volkswagen & Audi 2006 and up. Enables (3 x LOCK) remote start from the factory transmitters on most vehicles. No key required for immobilizer bypass on most models. Works with Firstech RF with FT-D100 adapter and DroneMobile.

## GMX Remote Starter

CMGMXA0

**REMOTE START**

iDatastart GMX remote start control module for select GM models 2004 and up. Enables (3 x LOCK) remote start from the factory transmitters on most vehicles. No key required for immobilizer bypass on most models. Compatible with iDatastart long range RF kits, select T-harnesses and smartphone control systems sold separately.

## BMX Remote Starter

CMBMXA0

**REMOTE START**

iDatastart BMX remote start control module for select BMW, Mini, Mercedes-Benz & Freightliner models 2003 to 2016. No key required for immobilizer bypass on most models. Works with Firstech RF with FT-D100 adapter and DroneMobile.

## CHX Remote Starter

CMCHXA0

**REMOTE START**

iDatastart CHX remote start control module for select Chrysler models 2005 and up. No key required for immobilizer bypass on most models. Compatible with iDatastart long range RF kits, select T-harnesses and smartphone control systems sold separately.

## MIX Remote Starter

CMMIXA0

**REMOTE START**

iDatastart MIX remote start control module for select Ford, Mazda, Honda & Nissan models 2006 and up. Enables (3 x LOCK) remote start from the factory trasmitters on most vehicles. No key required for immobilizer bypass on most models. Compatible with iDatastart long range RF kits, select T-harnesses and smartphone control systems sold separately.

# Go Truly Keyless.

KeyLocker eliminates the need to carry clunky vehicle keys. Securely store your key inside Keylocker for simple car-sharing and transform DroneMobile into your car key.

- **Share vehicle access through the DroneMobile app**
- **Securely store your keys inside KeyLocker**
- **Conveniently monitor your vehicle's and drivers**
- **Over 2,000+ expert installers nationwide**

**Learn more about Drone Keylocker on page 18.**

Compatible with M7 and M6

- 125° Viewing Angle
- 24 Surveillance Day & Night
- Low -light, infrared lights

## Momento R1

MR-1000

(Camera sold separately)

- Backup Cam Video
- Ghost 4.3" LCD
- Auto-Dimming LCD

## C1 Backup Cam

MR-C110

- 1080p 1080p Video Resolution
- 170° Viewing Angle
- Installable as Front or Rear Cam

## C2 Backup Cam

MR-C210

- 720p 720p Video Resolution
- 170° Viewing Angle
- Installable as Front or Rear Cam

## C3 Backup Cam

MR-C310

- 1080p 1080p Video Resolution
- P 6 Auto-Adjusting LEDs
- Easy LP Mounting

## S1 Parking Sensor Kit

MR-S100

- 3 3-Stage Proximity Sensing
- R Auto-Switching in Reverse
- External Feedback Speaker

# Audio Integration Solutions

*iDatalink Maestro interfaces facilitate the installation of aftermarket radios while retaining the vehicle's factory audio features such as steering wheel controls, Bluetooth, and more!*

## MAESTRO DSR1

ADS-DSR1

Universal DSP and amplifier replacement interface. Maestro DSR1 adds digital signal processing to most aftermarket amplifiers. Combines legendary Rockford Fosgate 3-SIXTY processor and Maestro AR to facilitate the replacement of many factory amplifiers.

**DSR1 can be tuned via Rockford Fosgate's PerfectTune app for iOS and Android!**

## MAESTRO AR

ADS-MAR

Universal amplifier replacement interface compatible with over 500 vehicles 2005 and up. Maestro AR connects to iDatalink-compatible Arc Audio, Audison, and Kenwood amplifiers to enhance sound quality in vehicles with high-end factory audio and infotainment systems or where radio replacement is not possible.

These products require vehicle-specific T-harness and aftermarket amplifier sold separately.

## MAESTRO SW

ADS-MSW

Maestro SW lets you easily retain factory steering wheel button controls and assign a secondary 'press & hold' function to any button when replacing your car radio for vehicles 1998 to date.

**Works with all vehicles with resistor-based steering wheel buttons.**

## MAESTRO RR2

ADS-MRR2

Advanced radio replacement interface compatible with over 3,000 vehicles 2003 and up. Maestro RR2 offers the same exclusive infotainment retention and exclusive screens as the Maestro RR while adding support for additional vehicles and enabling Bluetooth programming directly from your iOS or Android mobile device.

**Maestro RR works with all radios, however, only select Alpine, JVC, Kenwood, Pioneer, and SONY radios feature the iDatalink-compatible port to enable exclusive radio retention features with Maestro RR.**

## MAESTRO RR

ADS-MRR

Maestro RR connects to a wide range of iDatalink-compatible aftermarket radios to retain factory systems including steering wheel controls, media player, hands-free telephone, voice commands, and satellite radio modules for thousands of vehicle applications from 2003 and up.

**Maestro RR works with all radios, however only select Alpine, JVC, Kenwood, Pioneer and SONY radios feature the iDatalink-compatible port to enable exclusive radio retention features with Maestro RR.**

***Easy Web-Programming***

*Thanks to its patented visual web-interface, Maestro SW lets you easily choose your steering wheel and visually assign buttons.*

# iDatalink Maestro Dash Kits

## K200 C200 Dash Kit

KIT-C200

Dash kit and T-harness solution for 2015-2018 Chrysler C200 in all trims. Features factory grade fit & finish and adds a blank button panel for use in trims without the factory button bar. Includes T-harness, radio panel, steel radio brackets and USB adapter. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## CAM1 Camaro Dash Kit

KIT-CAM1

Dash kit and T-harness solution for 2010-2015 Chevrolet Camaro in all trims. Features factory grade fit & finish and includes a panel with 2 USB ports, HDMI and 3.5mm A/V input. Includes T-harness, radio panel and steel radio brackets. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## CHK1 Cherokee Dash Kit

ADS-KIT-CHK1

Dash kit and T-harness solution for 2014 and up Jeep Cherokee in all trims. Features factory grade fit & finish and retains both factory USB ports on the aftermarket radio. Includes T-harness, radio panel, steel radio brackets and USB adapters. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## FOR1 Ford Dash Kit

KIT-FOR1

FOR1 Dash Kit for Ford Vehicles with factory navigation.

More information coming soon to www.myFirstech.com!

## DUR1 Durango Dash Kit

KIT-DUR1

Dash kit solution and installation harness for 2014-2019 Dodge Durango. Covers all factory radio trims. Includes a panel to adapt to both types of climate control and USB hub replacement. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## K150 Dash Kit

ADS-KIT-K150

Dash kit and T-harness solution for 2013-2014 Ford F150 with the 4.3 inch “MyFord” radio. Features factory-grade fit & finish and adds a convenient storage pocket with flush-mounted ports to connect to the aftermarket radio. Includes T-harness, radio panel, steel radio brackets, and USB adapter. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## FOC1 Focus Dash Kit

KIT-FOC1

Dash kit solution for all trims of the 2012-2018 Ford Focus. Features factory-grade fit & finish and adds storage pocket with 2 USB ports, HDMI, and 3.5mm A/V input. Includes T-harness, radio panel, steel radio brackets, and USB adapter. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## FTR1 Ford Truck Dash Kit

KIT-FTR1

Dash kit and T-harness solution for 2015 and up Ford F150 and Super Duty. Features factory-grade fit & finish and adds a convenient storage pocket with flush-mounted ports to connect to the aftermarket radio. Includes T-harness, radio panel, steel radio brackets, and USB adapter. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## HD2 Harley Davidson Kit

KIT-HD2

Radio replacement dash kit for 2014 up Harley Davidson Motorcycles. Package contains Radio Bezel, radio Brackets, Maestro Harness, Water resistant box for the Maestro RR, and an adapter to retain the OEM USB location.

## JGC1 Grand Cherokee Kit

KIT-JGC1

Radio replacement dash kit for 2014 and up Jeep Grand Cherokee vehicles. Includes a gold and a silver trim along with provisions for 2 different climate controls and USB hub replacement.

## PAC1 Pacifica Kit

KIT-PAC1

Radio replacement bezel for Chrysler Pacifica. Includes the harness and USB replacement board.

## MFT1 MyFordTouch Kit

KIT-MFT1

Dash kit and T-harness solution for select Ford vehicles with the "My Ford Touch" Radio. Features factory grade fit & finish and includes media hub replacement with 2 USB ports, HDMI and 3.5mm A/V input. Includes T-harness, radio panel and steel radio brackets. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## MUS1 Mustang Dash Kit

ADS-KIT-MUS01

Dash kit and T-harness solution for 2010-2014 Ford Mustang with basic radio. Features factory grade fit & finish and features a quick access button bar as well a convenient storage pocket with USB ports. Includes T-harness, radio panel and steel radio brackets. Maestro RR and iDatalink-compatible aftermarket radio are required and sold separately.

## RAM1 RAM Dash Kit

ADS-KIT-RAM1

RAM1 Dash Kit for Ram Trucks with factory navigation.

More information coming soon to www.myFirstech.com!

KIT-WJLI

The WJL1 dash kit offers factory-grade fit and finish when replacing the factory radio in all trims of the 2018+ Jeep Wrangler and 2020+ Jeep Gladiator.

tesa®

# Automotive Adhesive Tape

*Tesa Tape, Inc. is a leading manufacturer of adhesive tape solutions. Firstech is an authorized distributor of tesa tape, and all of the following solutions can be purchased on www.myfirstech.com.*

## TESA® 51608

PET Fleece Wrap

tesa® 51608 is the universal tape for wire harness bundling in the passenger compartment.

- Noise dampening
- Abrasion resistant
- Tear resistant
- Stable unwind force
- Age-resistant
- Available in 16 pack: 51608-16PK

## TESA® 51036

PET cloth tape for high abrasion protection

tesa® 51608 is the universal tape for wire harness bundling in the passenger compartment.

- High temperature resistance 150°C/3000h
- High abrasion resistance
- Black tape
- Available in 16 pack: 51036-16PK

## TESA® 4174

High tempurature fine-line paint tape

tesa® 4174 is a flexible, temperature resistant PVC fineline masking tape with a rubber adhesive for a wide range of design painting requirements.

- No shrinking at high temperatures
- Conforms to the dimensional change during oven-drying
- No edge lifting off
- Removable without leaving any residues
- Good conformability to multi dimensional surfaces
