

ES-700-MON-6-BLK

REAL PERFORMANCE FOR THE REAL WORLD

The ES-700 Monitor Speaker offers a full-range performance in a beautiful bookshelf design. Use it for a dedicated home theater set-up or any audio system, and you'll enjoy an ultimate performance with a wide, open soundstage for brilliant, realistic sound. Timbre-matched to other models in the ES-700 series.

Stellar Audio Performance

Unpressed NCS (Natural Cell Structure) woofer material reinforced with Kevlar® provides accurate, uncolored, acoustic performance.

Wide, Engaging Soundstage

A titanium catenary dome tweeter delivers a wide soundstage with a more open, forward sound than traditional dome tweeters.

High-Gloss Cabinetry

Solid construction eliminates resonance and minimizes vibrations, while a beautiful high-gloss finish compliments any decor.

Versatile

Nestled in a bookshelf or mounted discreetly in a corner, these miniature speakers provide sound you can hear, not see.

Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
