TKP-9600 | IN-WALL TOUCHSCREEN

URC®

10" In-Wall Touchscreen Keypad

OVERVIEW

This premium in-wall touchscreen keypad features a 10" high-resolution touchscreen and sleek profile. The brilliant LCD displays vivid images of the attractive graphic user interface – plus live video from door stations and surveillance cameras. The built-in AV intercom offers convenient room-to-room communication. It is perfect for high-end residential and commercial installations.

- Attractive, upscale design
- Soft-touch finish, diamond-polished metal accents
- 10" high-resolution touchscreen
- Colorful, vivid images, menus, icons and backgrounds
- AV intercom works with all Total Control 2.0 touchscreens
- Live camera view from door stations and surveillance cameras
- Night mode and proximity sensor
