

ES-SUB-IW-DUAL8

REAL PERFORMANCE FOR THE REAL WORLD

Episode's® flagship in-wall subwoofer is the culmination of world-class engineering and uncompromising component selection. Each 8" Woven Fiberglass Sandwich woofer features a Nomex Spider and oversized voicecoil for unparalleled accuracy and low-end response. Enclosed in a sealed backbox to deliver low-distortion, high-impact bass for mid- to high-end home theater and two-channel applications.

Designed to Perform

Dual 8" woven fiberglass sandwich drivers with Nomex spiders and oversized high-temp voice coil for incredible output with low distortion.

Customized for Performance

Includes an active equalizer component to tune and optimize the unit for use with accompanying amplifier for optimal sound and overall performance.

Built for Sound

A rock-solid sealed backbox created the rigid foundation required for deep bass. with anti-vibration pads to reduce vibration and adjacent room noise for clear, un-distorted sound.
