TBUS-202xl

Dual Pop−Up Table Mount Multi−Connection Solution

| VGA/UXGA - 15-pin HD | HDMI | Ethernet - RJ-45

Kramer's TBUS−202xl provides an extremely simple, affordable and elegant single−push dual pop−up multi−connection boardroom solution. By pressing down gently on the lid, the unit opens and closes pneumatically. TBUS−202xl is fast and easy to install and flexible to configure. It opens facing both sides of the table making it ideal for any meeting room

FEATURES

Pneumatic Lift - Easy opening & closing by pressing down gently on the covers. When not in use, they lower flush with the table

Power Input - Universal, USA, European and many other worldwide power sockets available. Power socket modules are purchased separately

4 Fixed Inputs per Connecting Surface - 15−pin HD, HDMI, 3.5mm & Ethernet

Elegant and Rugged Rectangular Design - The sturdy and attractive anodized aluminum enclosure provides maximum connectivity in the smallest possible footprint, and at the same time is cost effective and easy to install

Installation Requirements - Requires tools and expertise to cut a 267mm x 122mm (10.5" x 4.8") rectangular hole in the surface of the furniture. Maximum table thickness is 76mm (3")
