

20 Seat Large Skype Conference Room

Description

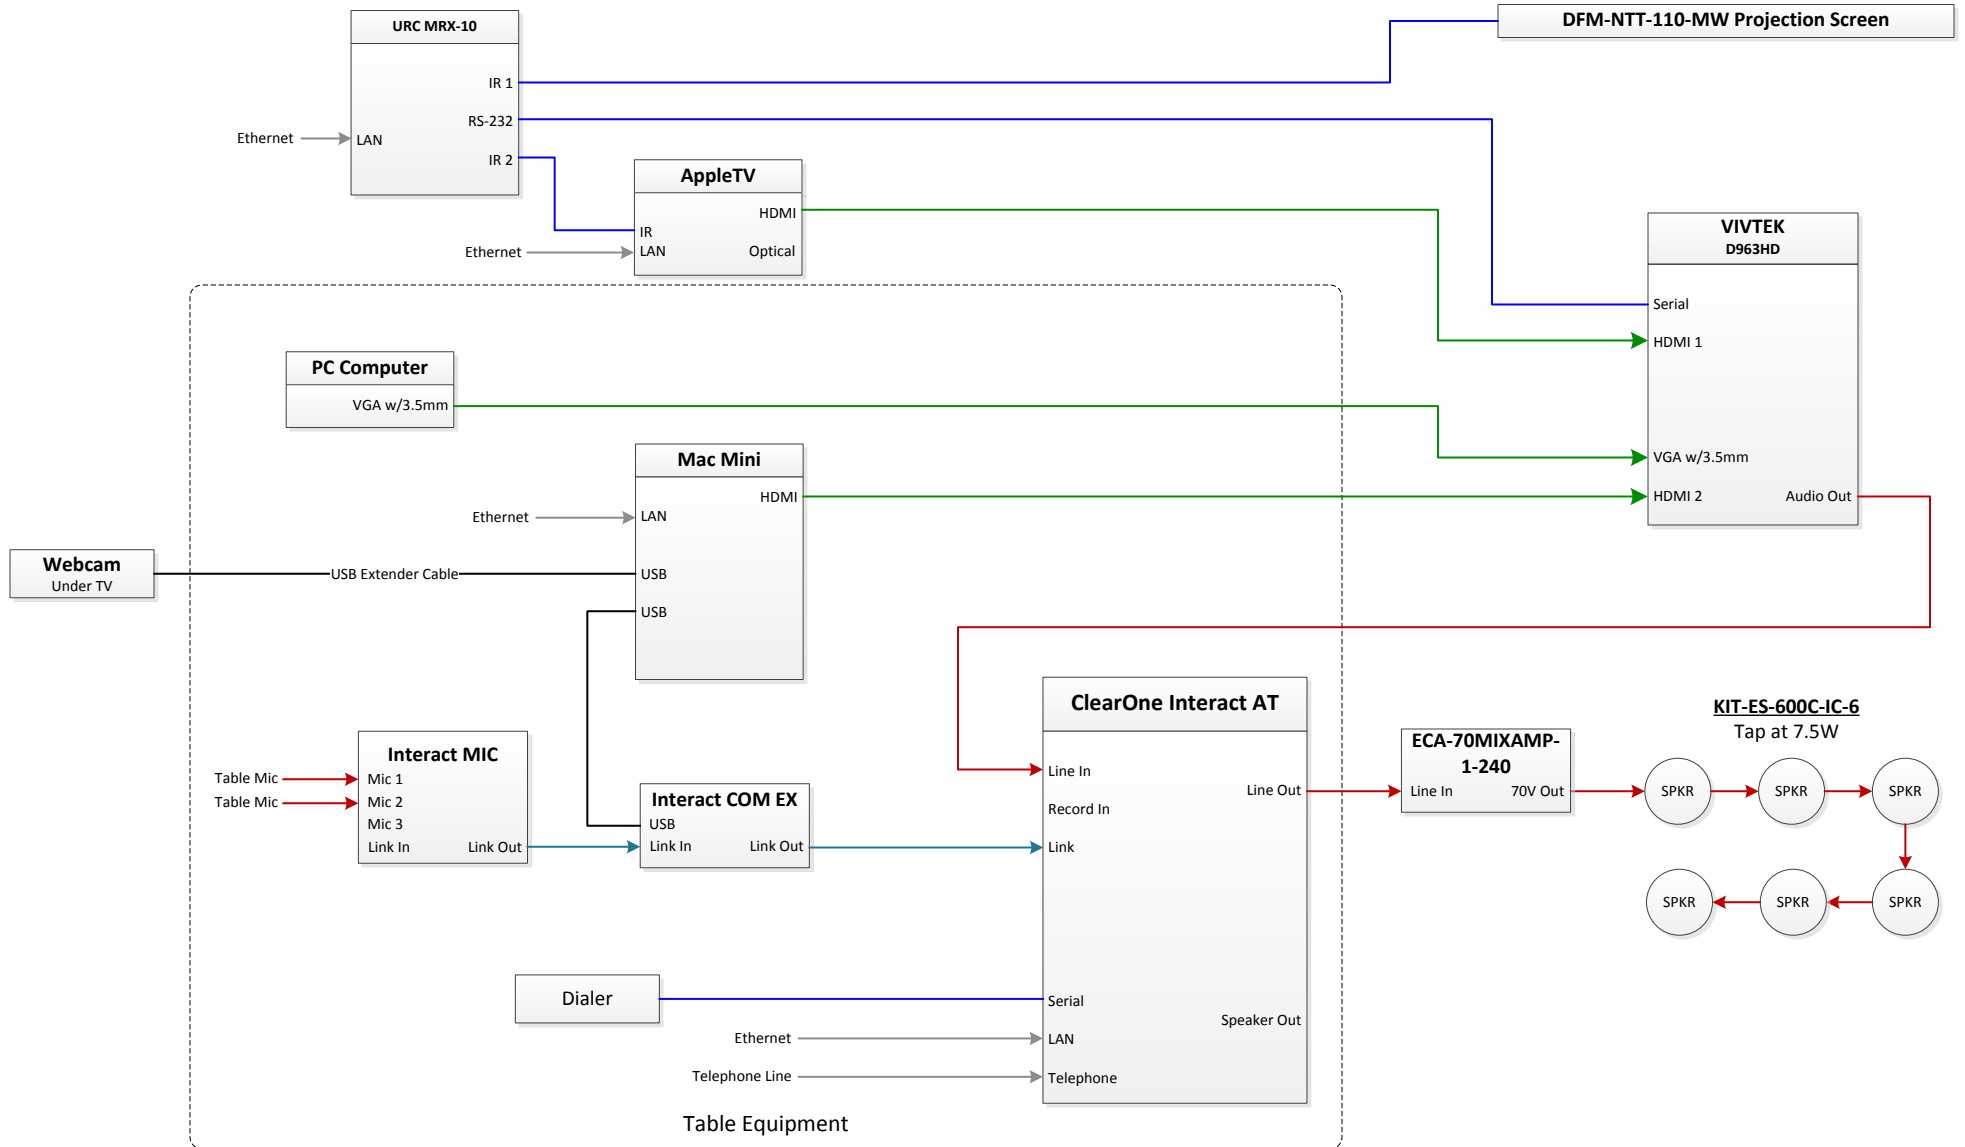

This 20-person room is the perfect choice for an entry-level integrated video conference system. A dedicated computer makes it easy to use web chats such as Skype, Webex and GoToMeeting, while the 110" projector screen gives everyone a great view. Integrated table microphones and overhead speakers provide crystal-clear audio, and operation is simplified thanks to an iPad Mini touchscreen.

Features

- Dedicated room computer for quick connection to Skype, Webex and other web chats
- Integrated table microphones and overhead speakers for clear audio
- ClearOne telephone with a dedicated dialer
- Simple touchscreen operation via an iPad Mini
- 110" projector screen and HD video camera
