

Living Room Soundbar

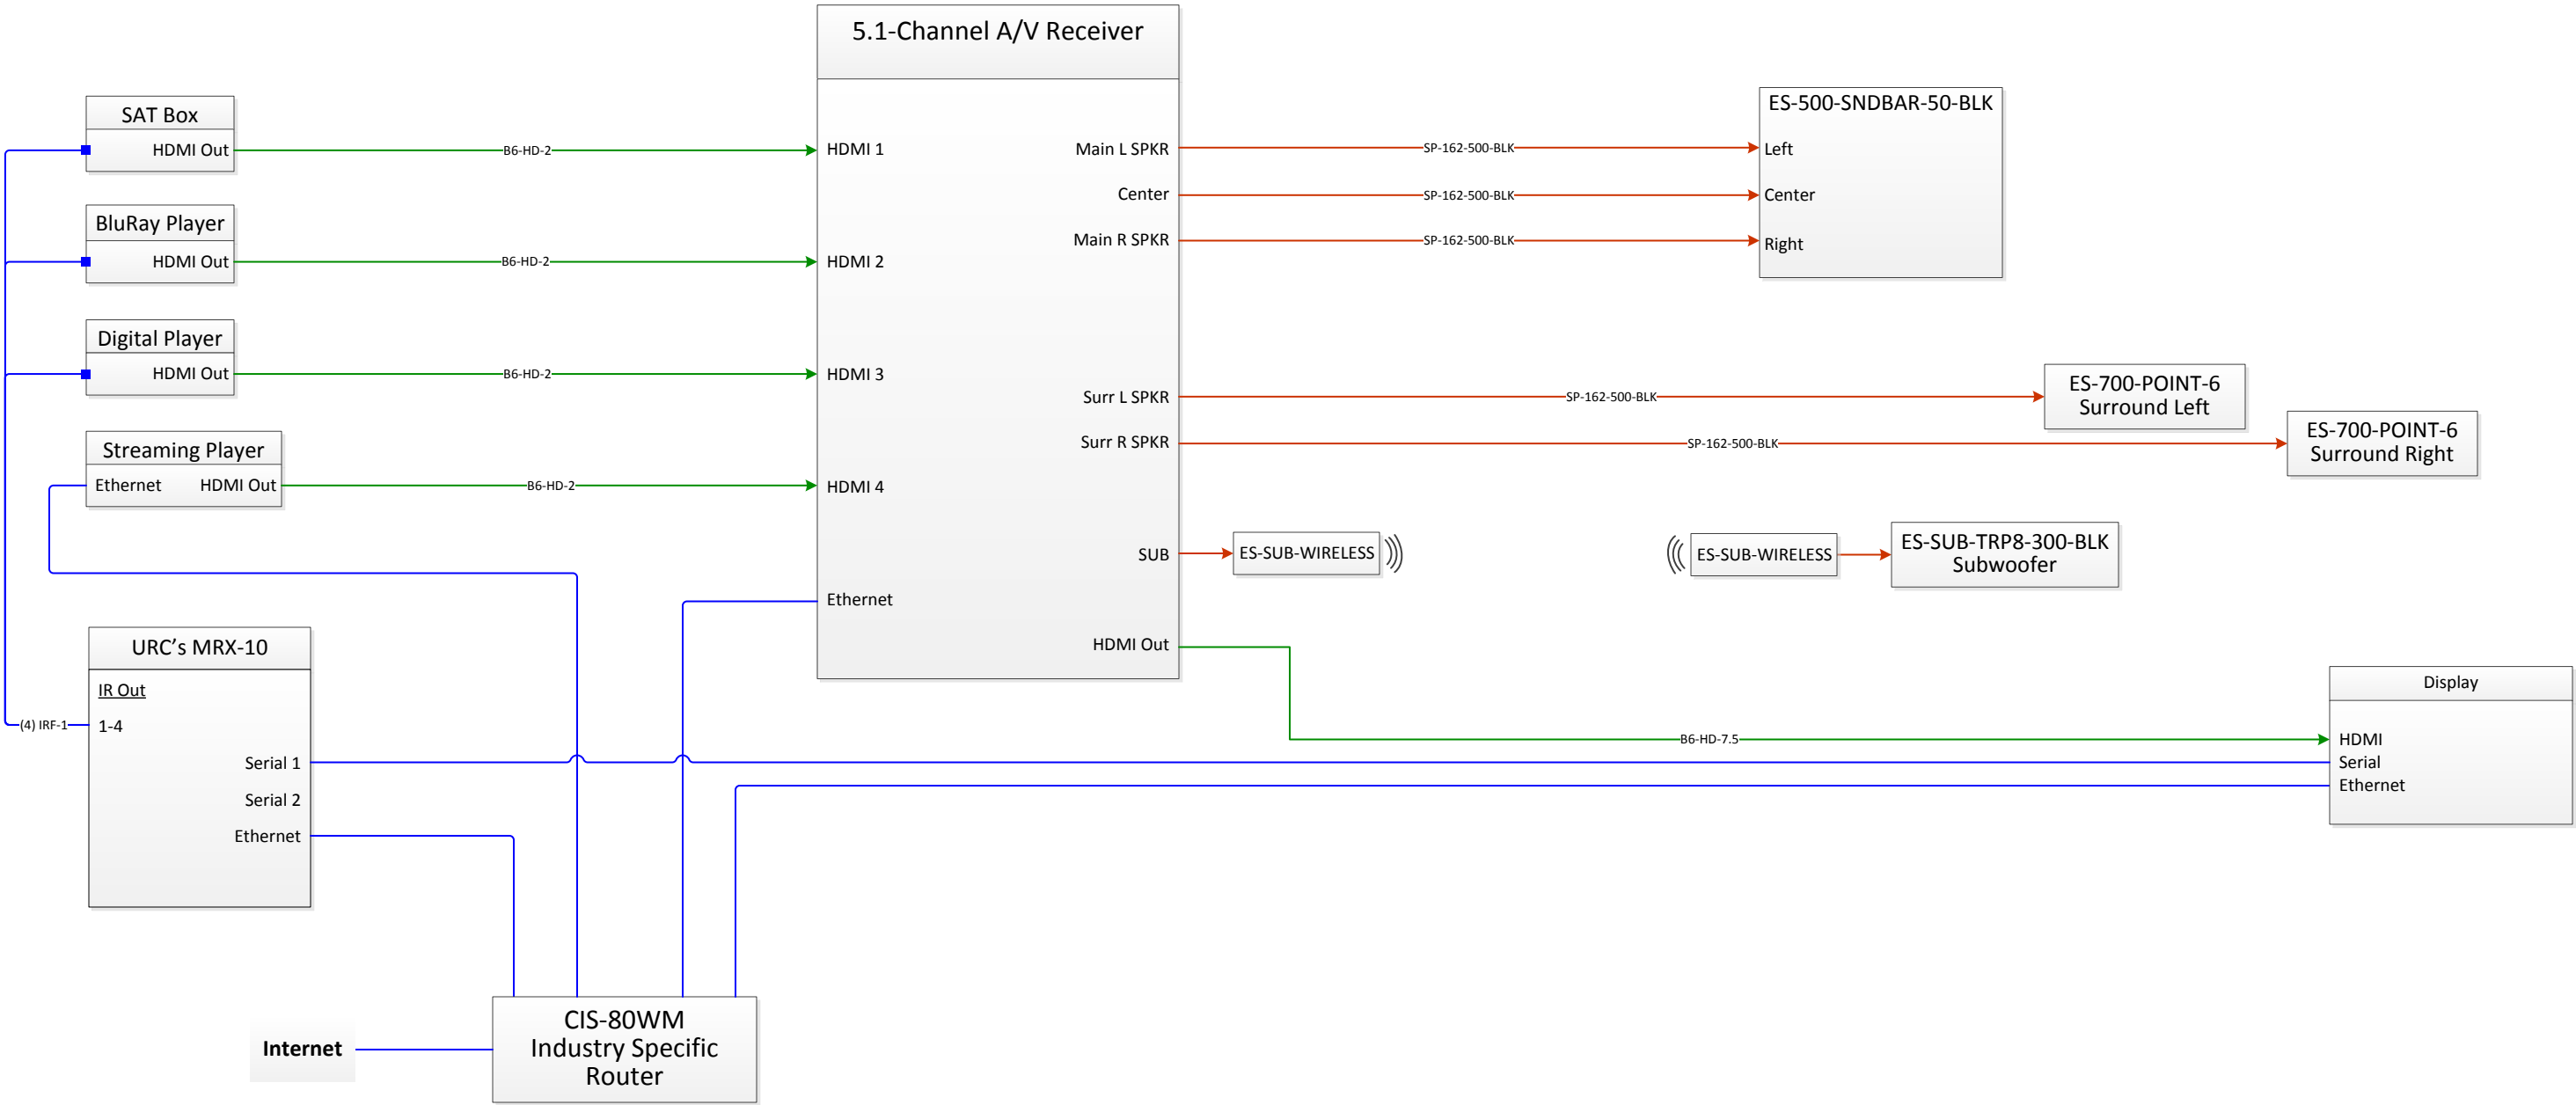

This elegant living room system delivers big picture and big sound to bring movies, TV shows and games to life. A large LCD display on an adjustable articulating mount provides the optimum viewing angle, while a sleek soundbar and powerful subwoofer deliver impressive sound from your favorite sources.

Features

- Large LCD Display with Articulating Mount
- Super-slim soundbar, in-ceiling surround speakers, and a triple 8" subwoofer with wireless kit
- HDMI Inputs for Satellite, BluRay, and Streaming Player
- Products mounted inside racks and safely tucked away inside cabinet
- One-button operation using URC's Total Control touchscreen remote

Living Room Soundbar Design Controlled by URC's Total Control

Legend

- Audio
- Video
- Control
- Power

- Notes:**
1. The use of the SR-CAB-8U hides the equipment giving a clean look and install.
 2. One touch operation from the TRC-1080 makes for ease of use.
 3. Soundbars are available in a thin design.
